

THE WHITE HOUSE
WASHINGTON

January 11, 1972

Dear Mr. Lehman:

The reports of your task force during the recent war in South Asia provided us a timely, comprehensive intelligence analysis of the issues on which decisions had to be made, and I want to express my appreciation for the splendid job done by you and your group.

Sincerely,

A handwritten signature in dark ink, appearing to read "Richard Nixon", with a long, sweeping horizontal stroke at the end.
